Dear friend,

Welcome to your Summer Planner.

Every year when summertime rolls around, there is a nostalgia in me that seems to well up. I can't help but think back to sweet summer nights when I was a little girl growing up in a small town.

Summer was the season of festivals and fun. Afternoons spent on the patio sipping iced tea with my family, trying to catch fireflies at dusk with my sister, the smell of barbecue on the weekends, days at the neighborhood pool with friends, and long drives down slow country roads watching rows of growing sunflowers pass by the windows.

There is something about this time of year that just feels brighter. Life seems to lighten as the days last longer. Vacations are planned, memories are made, and there is a magic to the season that always seems to bring people together.

But summer has a way of moving quickly too. Before we know it, the calendar fills up, the days slip by, and another season has come and gone.

That is exactly why I created this Summer Planner.

A place to gather ideas, plan seasonal moments, organize your home, and savor all the best summer has to offer.

Whether you are decorating, planning gatherings, making memories with family, or simply hoping to slow down and enjoy the season a little more, I hope these pages help you create a summer worth remembering.

Wishing you a bright, beautiful, memorable, and sweet summertime.

*Lots of love,
Brittney*
