This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Happy Holidays,

The most wonderful time of the year is here once again. With all the hustle and bustle that comes with the season, I hope you are able to take time and fill it with wonderful memories, yummy food, and lots of special moments shared with those you love most.

Planning and preparing to the season can be quite the task. I know social media, at times, can make decorating, planning, and hosting for the holidays look deceptively effortless at times, and we both know that's definitely not reality!

So, in an effort to inspire, and hopefully help, while you plan and prepare for the season this year, I have decided to share my personal holiday planner with you.

I hope you enjoy it.

*lots of love,
brittney*
